**VACATION CARE PROGRAM
DECEMBER 2019**

Foxwell Magic is so excited to be kicking off a vacation care program here!

We have allocated one of our super star staff to run our Vacation Care program. She is very excited to interact and engage with all the children that will be participating in our vacation care program. Children will have access to board games, craft and creative play at all times, with special days being put on with themed craft activities and lots of fun cooking experiences.

We know that the children participating in our vacation program will not be bored, and we aim for each of the children enrolled to have a wonderful time! Please keep in mind that apart from planned excursions we will be providing a flexible routine for children, so if they do not want to participate in any of the suggested or planned experiences, there will be plenty of other choices available for them.

MONDAY, DECEMBER 16 || PJ & MOVIE DAY

To celebrate the start of the holidays and welcome in the relaxation before the busy Christmas period children will enjoy a relaxing movie day filled with popcorn and chocolate crackles. Children will help the amazing Miss Liz cook the crackles in the morning and enjoy an afternoon of movies.
